*A Happy and Blessed
 New Year to You!*

“Behold, I make all things new!”

Revelation 21:5

Maria Shriver has written a small devotional book entitled, I’ve Been Thinking. In this book, at the turn of the New Year, each year Maria has a practice of burying and bringing. She makes a list of all of the things from the past year that she wants to Bury and all of the things that she wants to Bring into the New Year.

For Maria, here are her lists and I have added mine:

Bury and Bring

“My fear. I want to grab my fear ...” It has no place in my life. I totally agree with Maria on this one! Jesus says it this way, “Peace be with you, my peace I give to you. I do not give to you as the world gives.” (John 14:27) So **we bury fear** and **we bring God’s lasting peace** into the New Year.

Control. Maria writes, “I can’t control what people think, say or do, so I’m getting out of that ridiculous business.” Instead of trying to control others or things that are out of your control, remember what Jesus says in Matthew 6:35 and following: “Consider the lilies of the field, how they grow; they neither toil nor spin. Yet I tell you that not even Solomon in all his glory was dressed like one of these. If God clothes the grass of the field, which is here today and tomorrow is thrown into the fire, will he not much more clothe you, O you of little faith?”

Let’s change **CONTROL** into **CONFIDENCE in our loving Savior**. Let’s bring confidence, faith and a deep sense of calm into this New Year. It is God who is in control!

Maria also brings a sense of **Gratitude into her New Year**. Let’s bury our grumbling and be thankful in all times and in all places. Psalm 107:1 invites us to “Give thanks to the Lord for He is good; his mercy endures forever.” Bring into this new year a sense of deep gratitude: for family, for friends, for church, for community, for faith, for all the blessings that are showered upon us each and every day.

Finally, let’s bury **GOSSIP** and bring **GOOD WORDS** into the New Year. If you are unhappy with something, say so to the person who can make a difference. Please don’t murmur in the parking lot; don’t gossip about who is in church and who is not...pray for those who are not in church and celebrate with those who are! As the Psalmist writes, “Let the words of my mouth and the meditation of my heart be pleasing to you, O Lord, my rock and my redeemer,” (Psalm 19:14).

Think and pray about what you need to bury and what you need to bring into the New Year, blessings as we faithfully begin 2019!

Pastor Renee

Scripture Challenge

In your December newsletter, there was a 2-page (front and back) outline of reading through the Bible in one year. This Scripture challenge comes from our Bishop Daniel Beaudoin who is encouraging everyone in Northwest Ohio Synod to read through the Bible in 2019.

In addition, on Thursdays, I am inviting you to come to the Pelican at 4:00pm for one hour of discussing what you have read the week prior. I certainly don't have all the answers, but we can walk together through the Old and New Testaments digging deeply into Scripture and pondering what is has to say today and many years ago.

Join me every Thursday at the Pelican at 4pm beginning January 3, 2019. We will have coffee, tea, cookies and Scripture study together.

-Pastor Renee

Have You Ever Wondered? Diakonia Program

Have you ever wondered why we do what we do on Sunday mornings? Have you ever wondered about church ethics? Have you ever been interested in learning more about church history or practical Christian caring? These are just a few of the topics covered by the Northwest Ohio Synod program called **Diakonia**.

Diakonia is a two-year program that meets every Tuesday night September through May. It is for the Lutheran who wants to dig more deeply into their faith and learn more about who we are and why we do what we do.

If you are interested in this program, please see Pastor Renee. She is one of the teaching pastors in this program. She teaches practical Christian caring and Christian ethics.

One of the great perks of this program is that you meet many people from our conference and several pastors serving other congregations. It opens your eyes to the larger church and helps broaden your experience of who we are as ELCA Lutherans.

The next Diakonia class begins in September of 2019.

Guest Coming Soon! An Architectural Consultant

A service that is provided by the ELCA is an architectural consultant who will come for free to congregations and help discern the priorities and projects that need to be done for the best mission and ministry of congregations. We have invited such a consultant to sit with our Property Care and Executive Committee members to discuss the short- and long-term mission and ministry needs of Good Hope and the challenges our building brings to us. We are gifted with a beautiful, historic building! But such a building brings challenges with it. Working with the blessings and the challenges of this building means setting priorities and looking both short and long term to keep our facility as welcoming and as useful as possible.

This is God's House and we are the stewards in this generation. Having a consultant visit with us will enable us to have an outside expert help us prioritize our needs and set forth a plan for the future. Temple Talks, announcements and other communications will be regularly made to keep the congregation informed as this process moves forward.

Our consultant will be coming from New Jersey/New York area. His name is Jeff Spann, He is an architect who will help us discern our building challenges, building blessings and building use possibilities. We look forward to his visit the second week in February.

Spotlight on David Wolfe Our Youth and Family Minister

What does it mean to oversee the Confirmation Program? For David, this means engaging the youth. Sure, there is a lot to learn about being a Christian and a Lutheran. But if you also don't engage the youth in searching for what this means in their lives today, we lose them. This year we have 10 young people in the confirmation class. For some, they are very familiar with church and Bible studies. For others, this is all brand new. Building bridges of meaning, excitement and understanding is David's goal. He weaves together several curriculum ideas to make each two-hour session (two hours every other week) valuable for the youth.

What does it mean to mentor a child? For David Wolfe, it means mentoring a classroom. David has been mentoring children in Bucyrus and Col. Crawford elementary schools for 5 years. He studies with them, plays games, has lunch with the children, he builds self-esteem and relationships with these children, he follows them from one grade to the next. For some of these children, David is one of the only "constants" in their lives. This is the love of God shining through David.

What does it mean to lead a youth group? For David, it means to eat more pizza than any of us could possibly imagine. Building relationships with each and every student and their families; knowing their challenges and their joys; taking them to ball games, Zoo lights, Christmas shopping, bulb planting, movies, movies and more movies, celebrating their birthdays, going to Quake and planning big events like the Triennial National Youth Gathering as well as the Northwest Ohio Synod Fall Youth Gathering coming up in 2019, having Bible Studies and on and on and on.

What does it mean to reach out to families? For David, this assignment includes reaching out to our unchurched preschool families. It also means staying in touch with families of our youth – from the very small to those who are on their way to college. Family cooperation and support is critical to a child growing up with faith.

What does it mean to serve the community? For David, this means serving on the Board of Together We Hurt – Together We Heal and working with Operation Hope. David's passion and compassion for those struggling with addiction makes a powerful statement for Good Hope and for our community. We cannot "just say no to drugs," we must put in place people and resources to support those with addictions to help them start life again without drugs or alcohol, "doing nothing is not an option." David has a passion for this ministry.

What does it mean to serve in the Northwest Ohio Synod? For David, this means being a vocal advocate for a Youth Ministry person on the staff of the synod. It also means that he volunteers on committees at the synod level, the Youth Discipleship Network and the Congregational Resource Team. He does this so that youth are not neglected and are not forgotten at higher levels of church policy and that church congregations develop healthy leadership.

No spotlight can capture the hours that David commits to his ministry at Good Hope. He also does chapel for the preschool weekly, takes communion to shut-ins, joins our weekly staff meetings, and counsels youth, families and those struggling with addictions...this list could go on and on. Needless to say, David is a valuable and integral part of our team!

Watch next month for a spotlight on our Music Program!

Worship Window...What is Epiphany?

You may have noticed that the weeks between Christmas and the start of Lent are called Epiphany. The actual date of Epiphany is January 6. This is the date when the church celebrates the manifestation of Christ to the Gentiles through the Magi (Matthew 2:1-12). When the Wisemen bring their gifts to the Christ child, it is a message much larger than three Kings visiting Jesus.

First of all, the wisemen are Gentiles. They broaden the scope of the message of the Good News. Their visitation means that Jesus comes for Jews and Gentiles. Jesus' message is not "exclusive." He is bringing an inclusive message to all people...regardless of their race or religious background. This is very important for the inbreaking of God's kingdom.

Secondly, the wisemen bring gold, frankincense and myrrh. The gold is a gift you would give to a future king. This foreshadows Jesus as the "King of the Jews." The frankincense and myrrh foreshadow Jesus' death. These are spices that were used to prepare bodies before burial. And remember, Mary pondered all of these things in her heart.

Thirdly, after the wisemen found Jesus (he was a toddler by the time they reached him), they were warned in a dream to go home by another way (Matthew 2:12). This is when Herod ordered all male children under the age of two to be killed because he did not want this newborn king to threaten his rule (Matthew 2:16).

With all of this drama, Epiphany is still known as the season of light. In the midst of winter's deep darkness, the season of light emphasizes the Bethlehem star, the wonder of the Light of Life who was born in Bethlehem and undying light of God's love – born in Bethlehem, born to save all people. This is Epiphany.

STEPHEN MINISTRY Making Good Hope a More Caring Place

We can all help make Good Hope a more caring place with a bright smile, a sincere greeting, a warm hug, a word of encouragement. As you greet people, let them know how much you care. And remember, when you meet someone with extra needs, tell him or her about our Stephen Ministry.

2018-19 Confirmation Class

We are excited as we journey forward together learning about Jesus and the birth of Christianity in the New Testament this year. This year's class is made up of 10 students, grades 6, 7 and 8. Confirmation is being taught by Maggy Everett, Pastor Renee and David Wolfe. Besides learning about the Bible, Jesus, and the Apostles, we are also exploring current topics such as TIME and what we do with it, FITTING IN versus BELONGING, and who are MY TRUE FRIENDS. Confirmation Class also has scheduled a special trip to the Toledo Museum of Art and Confirmation Camp at Luther Memorial Camp.

This is the second year of our expanded Confirmation Class when we went from a 2 year course to a 3+ year course. In an attempt to improve our class time we have moved it from every Sunday during our Sunday school hour to a 2 hour, twice a month class. This has paid-off by allowing us more time and more flexibility.

Confirmation Day...Reformation Day

Confirmation Day will again be in the Fall on Reformation Day. This keeps our studies more in-line with the curriculum and better celebrates Confirmation with Martin Luther and the Reformation. By having Confirmation Day in the Fall sets it apart from the hectic time surrounding Spring, the end of the school year, and most of all, graduation. Confirmation should be thought of as a beginning of a new segment of a young person's Christian life, not a conclusion. We pray that any momentum brought on by Confirmation will help them continue participating in Church, where as before, school ended, summer vacation began, and we seldom saw our Confirmands again until the Fall, if we were lucky.

Get to Know the Confirmands

I encourage our congregation to become acquainted with this year's Confirmation Class. Get to know them and challenge them to convey to you, who they are, what they are learning, and most important, whose they are. Remember, these individuals are not the future of our church, they are our church.

Peace, and God bless you all,
David Wolfe, Coordinator Youth & Family Ministry

We need a **downpour of God's Word and the Holy Spirit's presence** in our parched spirits. Not an occasional sprinkle, but a soul soaking to replenish our frazzled bodies and weary minds. We know this soaking comes from consistent Bible study, the necessary pruning of confessed sin, and prayer time. These produce a well-watered garden, fruitful and lush, mirroring God's beauty, creating a life to which others are drawn to come and linger in His refreshing presence.

Eternal Father, strengthen my frame, guide my paths, and satisfy my needs as only You can. Make my life a well-watered garden, fruitful for You and Your purposes. AMEN
